

T-Slot Nut 8 St M8, heavy-duty, bright zinc-plated

item T-Slot Nut 8 St M8, heavy-duty, bright zinc-plated is a universal fastening element with an M8 thread.
This heavy-duty bright zinc-plated steel T-Slot Nut is wider than a standard T-Slot Nut. It is slid into the Line 8 profile groove at the end face and held in position by a spring-mounted thrust piece.
